

THE 4TH ANNUAL MEETING OF THE ID4AFRICA MOVEMENT

24-26 April 2018, Abuja, Nigeria

Depending on what stakeholder group you belong to, you may have a different motivation for attending; but one thing is clear, ID4Africa is designed to ensure that everyone derives value from attending:

Stakeholder	Potential Value
IDENTITY AUTHORITIES AND USERS	<ul style="list-style-type: none"> • Learn from the experience of successful identity authorities and independent eID and biometrics experts in this rapidly growing domain • Identify and meet organizations that support development to explore potential funding sources to finance your project • Build capacity within your organization by using the forum to develop the knowledge base in your organization • See the latest innovations on display at the expo and discuss your requirements with world leaders in electronic identity management solutions
INTERNATIONAL DEVELOPMENT AGENCIES	<ul style="list-style-type: none"> • Identify potential new engagements for your organization • Gain insight into trends on needs and challenges in development <p><i>Exchange knowledge and lessons learned with other agencies regarding ongoing eID funded projects.</i></p>
SOLUTIONS PROVIDERS	<ul style="list-style-type: none"> • Identify customers and potential opportunities for deploying electronic identity solutions in African countries • Understand the thinking, objectives and planning of decision-makers for eID business in Africa • Communicate your company & its offerings to a qualified group of decision makers and adopters • Identify potential local partners which are critical in enabling you to bid and seek contracts in the country
DOMAIN EXPERTS	<ul style="list-style-type: none"> • Highlight the accomplishments of your organization in the domain of eID • Promote your thought leadership and domain knowledge to key decision-makers • Exchange information and share experience with experts in your field
ALL ATTENDEES	<p>A seminal networking opportunity for all participants, the event is expected to bring together more than 1200 highly qualified and selected decision-makers within these stakeholder groups.</p> <p><i>Meet the African Delegates: Government Decision-Makers and Local Industry Partners</i></p>
