

Civil Identification and Harmonization

ID4Africa 2019, Inf5
June 2019 the 19th

Magnasco Gregory

Marketing Director, Africa, Gemalto

BENEFITS OF IDENTIFICATION TO COUNTRIES AND INDIVIDUALS

IDENTITY PROOF HELPS MODERNIZE STATES

Empower
people and
improve
livelihood

through inclusion
and enhanced access
to services

Increase
efficiency
and enable
innovation

for public and
private sector
delivery

Get reliable
and
continuous
data

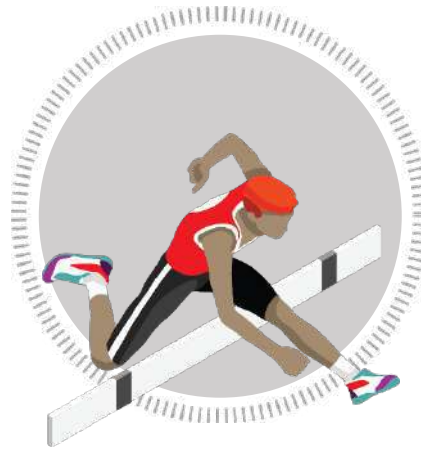

for policymaking
and to measure
development progress

BASIC PRINCIPLES OF IDENTIFICATION

UNIVERSALITY, ACCESSIBILITY, INTEROPERABILITY, SECURITY

Ensure universal coverage from birth to death, free from discrimination

Remove barriers to access and usage

Establish a unique and accurate identity

Create a platform
Scalable,
interoperable and
responsive to the
needs of various users

Safeguard data
privacy, security,
and user rights

TODAY'S CHALLENGES

PROMOTE ECONOMIC AND SOCIAL DEVELOPMENT AND BUILD TRUST

GOVERNMENT SIDE

Fragmented space,
with multiple overlapping and
incompatible identity systems

Lack of coordination
between civil registration and ID

High cost to add
additional applications

CITIZEN SIDE

Inconvenience to enroll
multiple times in multiple
programs

Exclusion due to fees,
indirect costs, and
convoluted processes

IMPROVE IDENTITY SCHEME EFFICIENCY

PROMOTE IDENTITY HARMONIZATION

**Chose a
long term
strategy and
scalable
approach
rather than
a revolution**

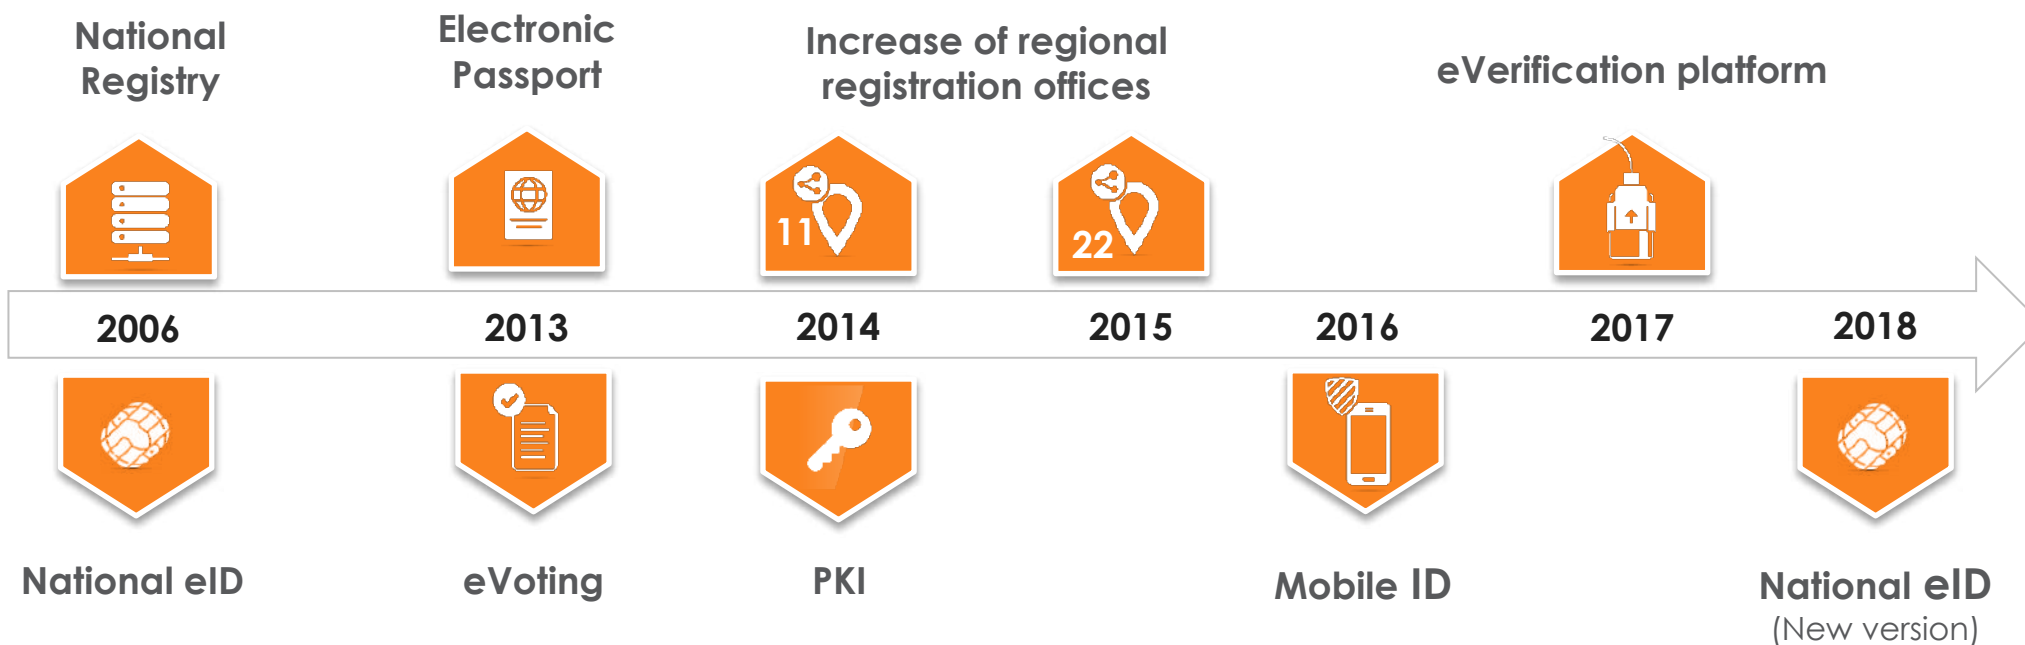

**Develop an
efficient
national
identity
scheme for
all use**

ZOOM ON OMAN IDENTITY SCHEME

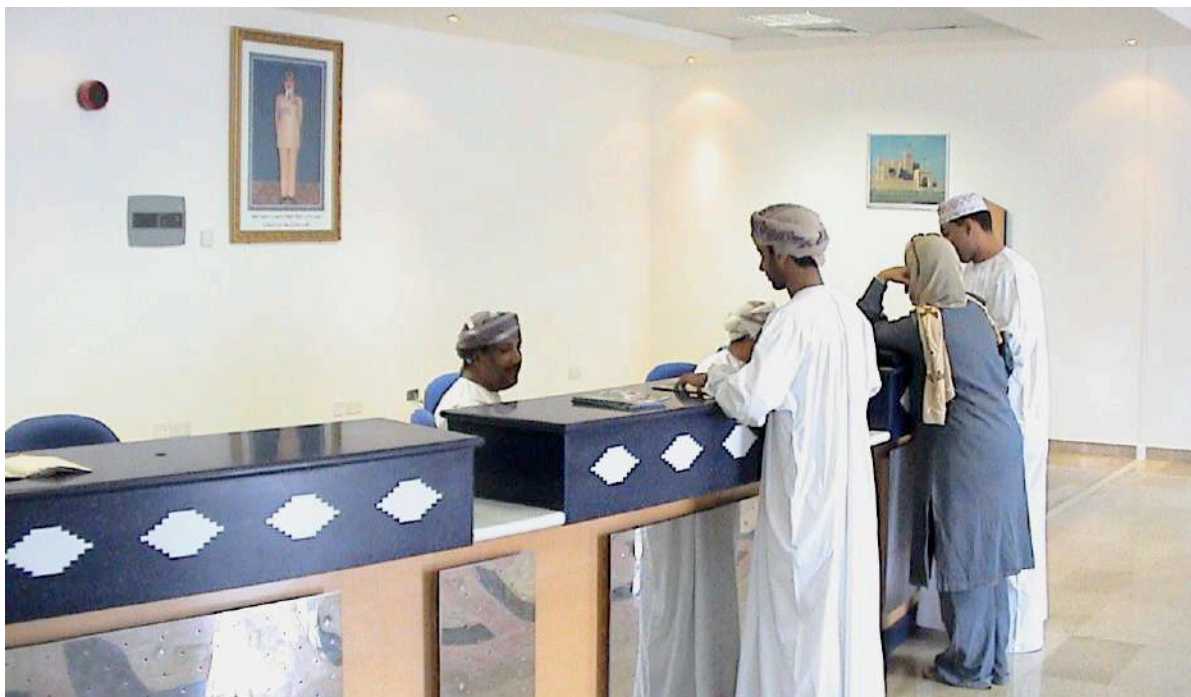

A SUCCESSFUL STRATEGY

The Sultanate of Oman has been a pioneer by developing a strong strategy and gradually build a complete Identity scheme

ZOOM ON OMAN IDENTITY SCHEME A SUCCESSFUL STRATEGY

National Registry offices

11 Registration offices added in 2014

22 Registration offices added in 2015

ZOOM ON OMAN IDENTITY SCHEME
