How advanced identification technologies are transforming border control in Africa

Joby Matthew
Sales Director Africa

e-Passport

Global Trend

**Air traffic will
more than double
in the next 20
years**

Tanzania has already doubled the number of tourists

590 000
1 284 279

Visitors

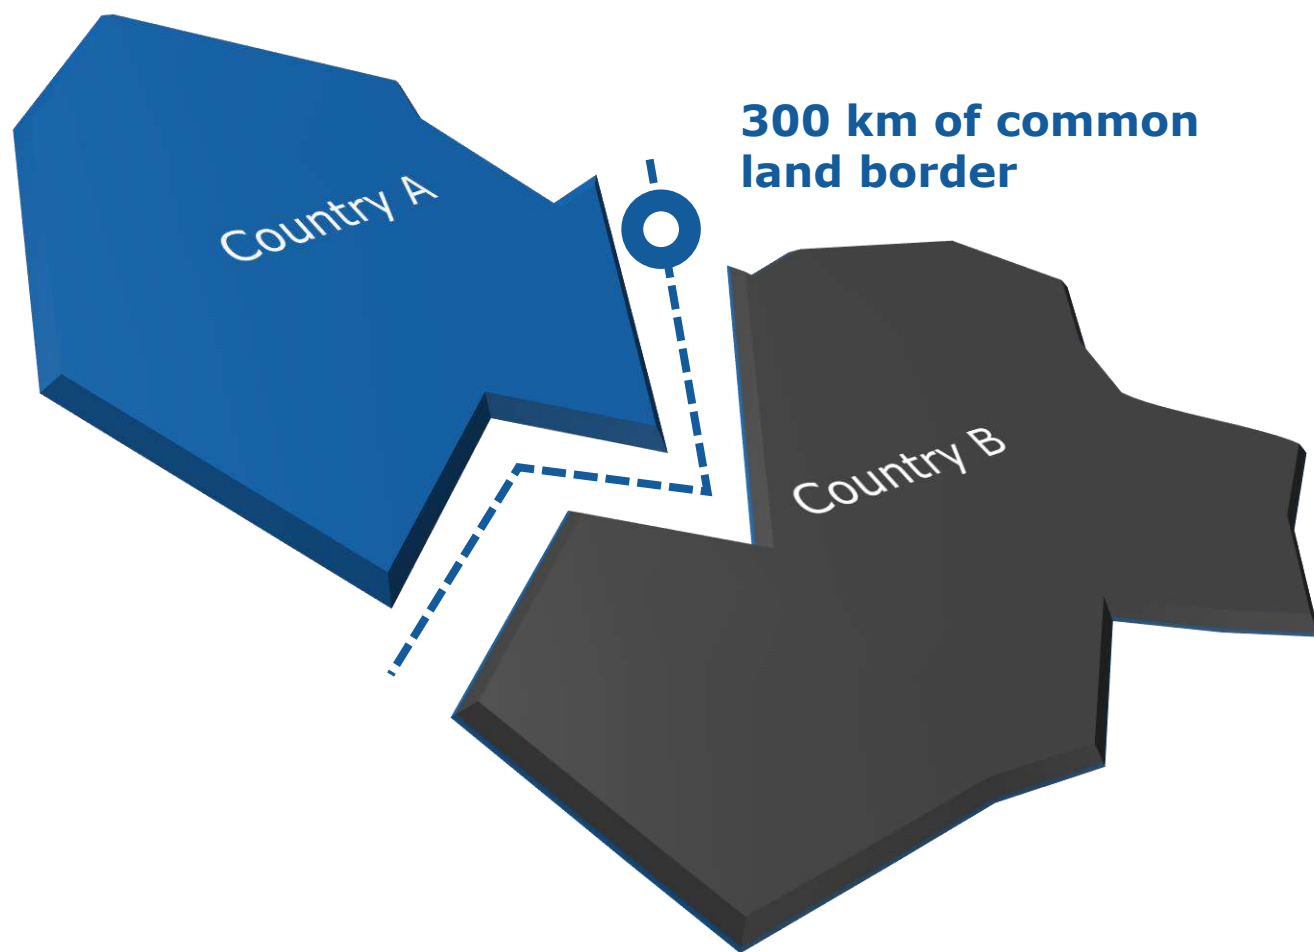

New approaches needed to manage border crossing

Custom design

... while creating secure passport and
border control solutions...

Challenges require different solutions

Situation

Economic challenge

Problem

Control the flow of people entering and exiting illegally the country

Solution

Biometric readers and connection to an ABIS, Jump kits and refugee management

Challenges require different solutions

Situation

Mass tourism

Problem

Manage entry of millions of people through small airports

Solution

e-Gate installations for automated border control

First: Reduce identification time

Biometrics

... for faster border crossing...

Facial recognition can be encountered already

Singapore
Land borders

Facial recognition can be encountered already

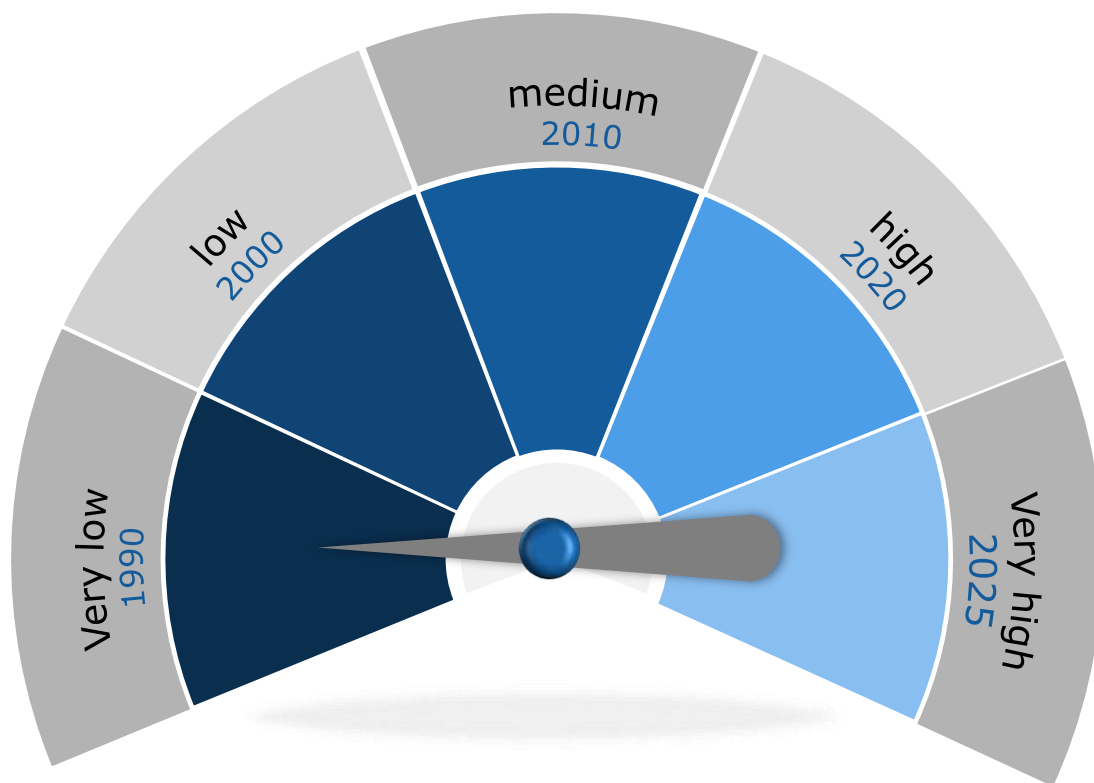

Singapore
Land borders

Australia
Air borders

The role of biometrics will continue to increase

Second: Speed up process

Process Modernization
... for a better traveler experience ...

New e-Visa Portal

Welcome to Tanzania Electronic Visa Application System!

You can now apply for an Online Visa to visit the United Republic of Tanzania (both Tanzania Mainland and Zanzibar). You are required to fill in the online form, make payment, and submit your application online. Your form will be internally reviewed and processed.

Applicants will be notified through their e-mails whether their applications have been accepted or rejected. They may also TRACK their application statuses through the online system. Applicants may as well be required to visit the nearest Tanzanian Embassies or Consular Offices for interviews.

What do you want to do?

New Application

For foreign citizens who wish to visit the United Republic of Tanzania, click the link below to apply for a new visa.

Visa Status

For applicants who have applied for visas, click the link below to check for the statuses.

[CHECK VISA STATUS](#)

Keynote before you start:

Please consider the following information beforehand.

1. Types of Visa
2. Required documents
3. Countries whose citizens do not require visa on entry
4. Countries whose citizens require approval by the Tanzania Commissioner General of Immigration.

Three airports to equip

Dar es Salaam

A background image of Dar es Salaam, Tanzania, showing a coastal city with modern buildings and a large tree in the foreground. The image is overlaid with a semi-transparent blue filter.

Zanzibar

A background image of Zanzibar, Tanzania, showing a beach with a traditional building and a boat. The image is overlaid with a semi-transparent blue filter.

Kilimanjaro

A background image of Kilimanjaro, Tanzania, showing a savanna landscape with acacia trees and the mountain in the distance. The image is overlaid with a semi-transparent blue filter.

Other entry points are sea and land borders

Strengthen the economy

- 1 Enhance border security
- 2 Facilitate movement of people
- 3 Encourage cross-border trade
- 4 Combat crime

Third: Modernization of travel documents...

Electronic upgrades

... for more security...

...begins with providing new immigration services

All-in-one system

For e-Visa, e-Passport and e-Resident Permits

Online applications

Apply only for e-Passport anywhere in the country

...begins with providing new immigration services

All-in-one system

For e-Visa, e-Passport and e-Resident Permits

Online applications

Apply only for e-Passport anywhere in the country

Online payment

Passport and visa can be paid online after application

Reports and statistics

Data on how many people have applied for e-documents

Status tracking

Easy follow up on the status of the e-document issuance

Fourth: Mobile identity

Going mobile

... for a modern convenience ...

A photograph of a young man with a joyful expression, his right hand raised in a gesture of greeting or excitement. He is wearing a black and yellow horizontally striped polo shirt. The background is a soft-focus view of green trees and foliage. The left side of the image is partially covered by a semi-transparent blue overlay containing white text.
