Democratic process

- Fair, fast and secure voting, tracked to an individual's verified digital id
- Domestic accountability

Social Services

- Maternal & child health services tracking
- eHealth, virtual health services
- Educational enrollment

Public Finance

- Domestic Resource Mobilization
- Effective targeting
- Payroll Integrity

Government services

- Social Intervention programs
- Cash transfers
- Pensions

Leaving no one behind

ECA is a signatory to the Principles on Identification for Sustainable Development

These principles lay out the features of an inclusive and empowering ID system

INCLUSION: UNIVERSAL COVERAGE AND ACCESSIBILITY

1. Ensuring **universal coverage** for individuals from birth to death, free from discrimination
2. Removing barriers to **access and usage** and disparities in the availability of information and technology

DESIGN: ROBUST, SECURE, RESPONSIVE AND SUSTAINABLE

3. Establishing a robust – **unique, secure, and accurate** – identity.
4. Creating a platform that is **interoperable** and responsive to the needs of various institutions.
5. Using **open standards** and ensuring vendor and technology **neutrality**.
6. Protecting **user privacy** and control through system design.
7. Planning for financial and operational **sustainability** without compromising accessibility.

GOVERNANCE: BUILDING TRUST BY PROTECTING PRIVACY AND USER RIGHTS

8. Safeguarding data privacy, security, and user rights through a comprehensive **legal and regulatory framework**.
9. Establishing clear institutional mandates and **accountability**.
10. Enforcing legal and trust frameworks through **independent oversight** and adjudication of grievances.
